CLICK & COLLECT
AVAILABLE FROM YOUR LOCAL DEALER
Since the early 90’s, Rapid Spray has been operating with the desire to innovate the agricultural spray sector with the launch of products such as the Ball Baffle, the SprayScout and the market leading remote controlled hose reel, the Buddy Smart Reel. Our business success is dedicated to our people - empowered and motivated to help our customers; our product - as we say, the Proof is in the Performance! And finally, to our dealers, who are dedicated to helping support their customers and their local communities. With over 1,500 dealers from the East to the West, our dealers are the backbone to our business. Made by Australians for Australians, we are proud to launch the 2020 Full Range Catalogue with all-new product features and a huge new range of 12V, Compression and Backpack sprayers.
The Rapid Spray range of sprayers feature many unique products not found elsewhere as we design and manufacture new and innovative spray equipment based on customer requirements and feedback. Products such as the Buddy Smart Reel®, Spot Ranger 12 volt sprayer and Spray Marshal Plus units are just some of these unique products that are designed to make your job easier!
HAND PUMP COMPRESSION SPRAYERS

Keep your property clean and green with a hand pump sprayer. Ideal for domestic or commercial applications, these hand pump sprayers are great for use with fertilisers, herbicides and some cleaning agents.

PROFESSIONAL COMMERCIAL SERIES

The industrial range of backpack sprayers have been designed for the use of aggressive chemicals normally found in industrial environments. With handy features such as the self cleaning ‘JetClean’ pump on the Chapin Commercial Duty backpack, these are designed for heavy use.

NEW! 3 YEAR WARRANTY

RAPIDMIX
CLEAN TANK TECHNOLOGY

MESS PROOF

Unique and exclusive to Rapid Spray, the RapidMix spot sprayers are a first in Australia with the Clean Tank Technology - allowing for greater control over chemical usage and wastage. Contact your local dealer or visit rapidspray.net to view the full range of proven performers.

- **MIXES ON EXIT**
  Chemical and water mix after exiting the main tank keeping it chemical free

- **SEPARATE CHEMICAL TANK**
  No more messy mixing or chemical wastage!

- **7 MIXING RATE SETTINGS**
  Adjust chemical dilution mix ratio of 7 - 117ml/L

- **COMPACT & LIGHTWEIGHT**
  Easily transportable

- **TRANSLUCENT TANK**
  Easy viewing of tank level

- **BOOM OR SPOT SPRAY**
  Easily switch between boom or spot spraying

2 YEAR WARRANTY
CLEAN TANK TECHNOLOGY
RAPIDMIX SPOT SPRAYERS

RapidMix gives you greater control over your spraying. Ever needed to swap chemicals over in the middle of spraying? With RapidMix system you now can by changing over the separate chemical tanks all while keeping your main tank chemical free! Less chemical wastage from pre-mixing and less cleaning of your tanks. With the flow control valves and quick change between boom and spot spray, the RapidMix will be your new favourite spot sprayer.

BUILT FOR THE UTV

SPRAYSCOUT

WITH MANUAL HOSE REEL OR BUDDY SMART REEL®

DISCLAIMER:
Weights and dimensions mentioned may vary due to the manufacturing process.
Our most nimble sprayer yet, the SprayScout has been designed with the larger UTV or dual cab ute in mind, allowing you to reach those hard-to-get-to places with more capacity. Make the SprayScout your own - what size tank, 360L or 600L? Which pump and motor? Do you want the Buddy Smart Reel® or manual reel? Twin reel or single reel? Whatever options you go with, the SprayScout is built compact and tough, giving you the spraying power you want and the mobility you need.

**17L FLUSH TANK**
Easily clean pump and system with built-in flush tank on all models

**RINSE TAP**
Clean hands or equipment from built-in 17L flush tank

**BATTERY & ELECTRONICS DRAW**
Weatherproof storage

**JAPANESE MARUYAMA PUMP & HONDA GX200 MOTOR**
Choose from a range of pump and motor options to suit your spraying needs

**SPRAY/FLUSH VALVE**
Quickly change between spray and flush tanks

**SPRAYSCOUT MANUAL | BUDDY® | TWIN BUDDY®**

**15 YEAR TANK WARRANTY**

**MANUAL OR AUTO REELS**
Fit one or two hose reels to maximise productivity. Designed for the Buddy Smart Reel - see page 29 for more information

**SITE TUBE**
Quickly view tank level

**SUCTION FILTER & DRAIN VALVE**
For fast and efficient draining of tank

**COMPACT DIMENSIONS**
Designed to fit in a UTV or dual cab ute

**HEAVY DUTY HANDLES**
at front and back. Perfect for tie-down or easy lifting

**GALVANISED FORKLIFT POCKETS**
Fully enclosed for safety and quick loading

**DISCLAIMER** - Check the size and weight restrictions of your UTV to confirm SprayScout can fit safely.

FARMMAX ATV TRAILER SPRAYERS
200L - 400L SINGLE & DUAL AXLE

ATV trailers are a versatile option for many around the farm spraying jobs. Their low ground pressure means they won’t bog as easily on soft ground and will cause less damage to crops and pasture. Features include high flotation tyres for boggy paddocks, hot dip galvanised frame for durability, adjustable height tow hitch, multiple pump and hose combinations and standard with boom mount brackets.

200L - 400L TANKS
Australian made spray tank with fully draining sump for easy cleaning (200L shown)

VERSATILE BOOM
Up to 4m spray width

HEAVY DUTY CHASSIS
Built to withstand toughest conditions.

MANUAL HOSE REEL
Upgrade to a Buddy Smart Reel® for ultimate spraying power

12V DELAVAN PUMP
A wide range of pump kits available under protective cover

**ON / OFF BALL VALVE TAP**
for OC End Jet nozzles

**DISCLAIMER** - Booms listed in size by the maximum spray width achieved. Physical length of the boom may differ from widths above.
NOZZLES
BOOMJET & BOOMLESS

Boomjet and boomless nozzles offer a great alternative to traditional boom sprayers in rough and scrubby country. Spraying out up to 17 metres from a single central point they are great for weed control and fertiliser application.

#### BOOMLESS NOZZLE - EASY TO CHANGE PLATES
Achieve either a 180° or 90° swath for your spray purposes.

#### BOOMLESS NOZZLE
90° swath
The all-new Buddy Smart Reel® is your tangle proof solution to spraying the most stubborn weeds in the trickiest of places. Featuring a four-roller hose guide for smooth free running hose, a ‘MyPace’ auto rewind remote with 2km radius and an impressive three year warranty that’s always got your back.
BUDDY SMART REEL®
50, 100 & 150 METRE VERSIONS

‘MY PACE’ REMOTE
Unique 2-button remote offers custom rewind speeds. You can choose a speed that suits the terrain you are working in.

TAPERED SPOOL
Provides consistent hose layup and no tangles

GALVANISED & POWDER COATED
For rust-free service

"BRUSHLESS" HIGH TORQUE DIRECT DRIVE MOTOR
Means zero maintenance on belts or chains

HIGH PRESSURE PERFORMANCE
Rated to 1,000 PSI

EASY 4 BOLT MOUNTING
Safe and secure fastening

PUSH BUTTON OVER-RIDE
For manual operation of the reel

LOW VOLTAGE PROTECTION
Ensures no problems with flat batteries

STAINLESS STEEL 4 ROLLER HOSE GUIDE
For easy pull out & hose rewind with no wear

RUST FREE
Galvanised and powder-coated frame

POWERFUL RADIO SYSTEM
Purpose built radio system using the latest technology. Line-of-sight range is greater than 2km - the most powerful radio on the market!

CONTROL PANEL
On-board diagnostics use a built-in LED display for in-field troubleshooting

THICK. TOUGH.

SCORCHER PROOF

OUTLAST THE ELEMENTS

EXTRA THICK TANK STRUCTURE
With a load capacity of up to 1.6:1 specific gravity on mega molasses tanks.
Active liquid tanks rated 1.3:1 SG
Active V tanks rated 1.1:1 SG

LARGE TANK OPENING
For fast, easy filling. 455mm lid with a labyrinth breather on tanks 800-15000L

‘NO SPILL’ CONTAINMENT LIP
Moulded on tanks over 400L

UV STABILISED
Built to last in the harshest of elements

GRADUATION MARKINGS
For quick measurement readings on contents

FREE STAINLESS STEEL OR POLY TANK OUTLET
Fitting supplied with every tank

OPAQUE TEAL
Colour blocks sunlight to prevent algae growth

SPECIFIC MOULDED BASE LEGS
Stable mounting on any flat surface

‘SUREFIT’ MOUNTING PINS
Free pins supplied with every tank

THE TOUGHEST TANKS!

All of our tanks are manufactured here in Australia to dual Australian Standards, making ours the highest quality, toughest & most durable tanks on the market. With in-built Flexi-link technology in each tank structure, our tanks are able to cope with the twisting and flexing of those truck chassis movements that happen in tough operating conditions. Specialised poly manufacturing process maximises strength with minimal weight resulting in greater payload opportunities. UV stabilised, and backed by a full 15 year warranty, you'll be guaranteed to get a long life out of your Rapid Spray tank.

#### DISCLAIMER

Tank dimensions may vary slightly due to manufacturing processes.
MODULAR TANK SYSTEMS
THE FLEXCONNEX RANGE

MATERIAL COMPLIANT
WITH AS2070:1999
For potable water use
Drinking water safe

SUREFIT
Secure pin mounting system

UNIQUE 2-WAY BAFFLE SYSTEM
Limits longitudinal & sideways movement for max fluid stability

455MM LID & BREATHER
Prevents sucking & allows easy breathing

EXPANDABLE TANK CAPACITY

TAPERED SEAL FITTING
Allows for internal movement of joiner without leaking

225MM INTERNAL DIAMETER FLOW
Allows rapid fluid transfer between sections & baffled to prevent surcharge

TANK DRAINAGE
Sections can be drained individually (for cartage of different fluids) or linked together to allow equalised filling & draining

ADD ONS - ADDITIONS AVAILABLE ON REQUEST

Hot dip galvanised steel frame
Galvanised filling funnel
Full drain sump (V2 models only)
Range of colours

DISCLAIMER - Tank dimensions may vary slightly due to manufacturing processes.

Spray Tanks
100L - 10,000L Options

Our tanks have the most extraordinary impact-resistant qualities and are impervious to the toughest conditions. Using specially blended poly, Rapid Spray’s spray tanks are able to carry the broadest range of liquids, from plain water to the harshest chemicals. With the positive draining tank base and lower sump, you’ll be sure to have a flooded suction regardless of terrain, allowing you to get the most out of your tank.

455MM Lid & Breather + No Spill Lip
Prevents sucking & allows easy breathing
Lip - standard on tanks over 600L

Basket Filter Supplied with Tanks 200L +
Safeguards and decontaminates liquid when filling

Translucent Teal
Colour assists in seeing liquid level in tank

’Surefit’ Pin Mounting
Secure mounting pin system

Cut Away of Pin
Shows secure mounting

Easy Read Calibrations
For ease of measuring contents

Smooth Interior & Integral Sump
Allows complete evacuation and decontamination

UV Stabilised
Poly for long life

Full Drain Sump & Sump Clearance
Easy clean & drainage of tank

Rapid Spray's Ball Baffle system is the only baffle system that has been independently tested and verified by Loadsafe Australia. Our ball baffles are durable, rust resistant, lightweight and fully baffle the whole tank which dramatically reduces fluid movement for improved load stability during transit. They are suitable for use with all tanks including poly, steel, fibreglass and aluminium, and are made from food grade quality material making them suitable for potable water transport. They can also be used with diesel and other liquids. Simple to install, the balls are supplied in two halves with a simple push and twist joining system. If you are using a 3” or 4” pump, we recommend fitting a Ball Baffle outlet protector.

Ball Baffles

- Greater safety & stability for your tanks
- Suitable for steel & fibreglass tanks
- Can be used with diesel & other liquids
- Tested & approved by Loadsafe Australia
- Made from food grade polypropylene
- Australian made with 1 year warranty. New & improved design - 300% stronger. Greater durability and longevity

Ball Baffle Outlet Protector

Greater stability

- Slalom testing shows a remarkable increase in vehicle stability

Portable Diesel Units for Utes & Trucks +
Trailers to Tow & On-Site Stationary Diesel Storage Tanks

Rapid Spray’s diesel refuelling range covers solutions for truck mounted diesel transport tanks, ute and trailer mounted portable units, and stationary diesel refuelling tanks. All of our diesel tanks are moulded from diesel grade certified material and our components are sourced from reputable industry suppliers.
REFUELLING UNITS
THE TOUGH YET COMPACT RANGE TO FIT YOUR VEHICLE

Tight for space on your ute but need to carry diesel? Look no further! Genius diesel tanks are available in a range of compact and space saving sizes to fit your vehicle. Manufactured in Australia with a huge 15 year tank warranty, and featuring a three-point locking system, you can rely on your Genius for many years to come.

REFUELLING UNITS

LOCKABLE COVER
Theft protection for your asset on Genius unit (padlock not included)

WEATHER PROOF LID
Protects your pump kit (on Genius range only)

PAD-LOCKABLE FILLER CAP
For extra security

FUEL STRAINER
Located under cap

LOCKING POINT FOR NOZZLE
For added security

PUMP KIT OPTIONS
40L/min DieselFlo pump, 4m hose, auto nozzle & 1 year warranty
45L/min Fluid pump, 6m hose, auto nozzle & 2 year warranty
60L/min Fluid pump, 6m hose, auto nozzle & 2 year warranty
80L/min Svelto pump, 4M hose, auto nozzle & 2 year warranty

SPILL & DUST PROOF BREATHER
For clean fuel

4M - ELECTRICAL CABLE
With battery clips and protective fuse

SECURE MOUNTING
Moulded grooves for strap mounting & brass inserts underneath tank for direct mounting

### 5 DIGIT ELECTRONIC FLOW METRE
- Flow rate 10-100L/min
- 70 psi max pressure
- 1” inlet/outlet
- Polypropylene body, compatible with most chemicals

### STEEL FRAMES
- Galvanised steel frame
- Forklift pockets

### BALL BAFFLES
- Tested & Approved by Loadsafe Australia
- Suitable diesel and other liquids
- Reduces braking up to 46%
Keep your equipment working with Active Diesel On-site refuelling tanks. Rapid Spray use approved diesel grade poly to ensure our tanks are up to the job. We also manufacture tanks up to 10,000L. Give us a call to find out more.

**ACTIVE DIESEL UNITS**
2,000L - 10,000L CAPACITY

**DIESEL PUMP**
Choose from a range of 12, 24 & 240 volt pump kits.

**EARTH STRAP**
Prevents static build up when filling tank.

**‘SUREFIT’**
Each tank comes standard with FREE ‘SureFit’ mounting pins.

**6M DELIVERY HOSE**
Gives you extra reach.

**AUTO SHUT-OFF NOZZLE**
Prevents overfilling & fuel wastage.

**CABLES**
4m of battery cables supplied with battery clips.

Having your own diesel on site can be a serious saving. Diesel deliveries to site typically cost up to $0.50 more per litre than the current price! Save now, and invest in a mobile diesel refuelling trailer which gives you the convenience of taking the fuel to your equipment, rather than bringing your equipment back into town to be refuelled.

**STRONG POLY DIESEL TANK**
Manufactured in Australia using diesel grade poly - complies with International Regulation ECE R34.01. Backed by a 15 year warranty

**FULLY BAFFLED TANK**
Ensures safety & stability on & off road

**RANGE OF 12V, 24V OR ENGINE DRIVE PUMP KITS**
Customise your Rapid Diesel Trailer with pump kits from 40L/min - 120L/min

**ON-ROAD OPTIONS**
‘On Road’ configurations are ADR compliant & feature lights and brakes

**WEIGHT DISTRIBUTION**
Careful attention paid to weight distribution for easy towing anywhere on single or dual axle

**15 INCH WHEELS**
Large 15” wheels - Landcruiser hub pattern for strength, maximum ground clearance & great manoeuvrability

**FRONT & REAR PUMP PLATES**
Extra room for add-ons

**LIGHTS & REFLECTORS**
Standard with ‘On-Road’ configuration trailers - to ADR standards

**WE ARE CERTIFIED TO BUILD TO MDG15 MINE SITE REQUIREMENTS ON REQUEST**
GENIUS DIESEL TRAILER
MOBILE REFUELLING SOLUTION

Australia’s favourite diesel unit, the Genius, joins Rapid Spray’s tough in-house manufactured ADR compliant trailer to bring you a secure, durable and easy to tow mobile diesel refuelling unit. Choose from 40L/min flow pump kits, to high flow 80L/min kits to maximise your productivity.

PUMP RANGE
45, 60 & 80L/min available
Backed by a 2 year warranty

STRONG POLY TANK
Manufactured in Australia using diesel grade poly - complies with International Regulation ECE R34.01. 15 year tank warranty.

FULLY CONTAINED
PUMP & HOSES
All under a lockable cover

TOW EASE
Can be towed by most vehicles

HOT DIP GALVANISED
Australian made chassis with 5 year warranty

15" LANDCRUISER WHEELS
+ 6 ply radial tyres

GREAT CLEARANCE
Large clearance for rough terrain

LIGHTS & BRAKES
Lights, hydraulic brakes & reflectors to ADR standards for safe on-road operation

5 YR CHASSIS WARRANTY

DID YOU KNOW

FIGHT FIRE
**PANIC PROOF**

**SPOT FIRE, PROPERTY PROTECTION, BACK BURNING CONTROL**

We all know how quickly a fire can spread and change direction any time. Make sure you have the first stage of protection at hand with our range of firefighting equipment from pump and motor kits and knapsacks to ute mount firefighting units and large firefighting trailers. Fire Ranger units, trailers and Fire Marshal Trailers come standard with a six metre bottom fill kit that can refill your unit in less than five minutes from a dam, creek, water trough, or other water source. All Rapid Spray fire units and trailers are fitted with Genuine Honda motors for guaranteed reliability – don’t risk it with a copy product.

The FireScout has been built tough, made with highly durable polyethylene and heavy duty hose reels. Get the right FireScout to suit your needs, available in 360L or 600L tank sizes; choose between a diesel or petrol motor or upgrade to a foam kit for ultimate protection.

**Tough Poly Hose Reel**
With 36m x 19mm AS1221 rated fire hose & adjustable fire fighting nozzle

**Adjustable Nozzle**
For precision fire fighting

**Foam Kit & Nozzle**
Optional upgrade

**Forklift Pockets**
Galvanised in-built for quick and easy deployment

**Compact Dimensions**
Designed to fit in your UTV or dual cab ute

**Aussie Firechief 2” Pump**
Standard with GX160 Honda Motor.

**Equipped with 6m Bottom Fill Kit**
Enables quick refill from dams, rivers & troughs. Refills unit in less than 5 minutes

**Heavy Duty Handles**
At front and back. Perfect for tie-down or easy lifting

**Options**

**Electric Start**
Recoil or electric versions available. Contact us for prices.

**Around the Pump Foam Kit with Tank & Nozzle**
Enhance your effectiveness with integrated foam kit and nozzle.

**Air-Gap Top Fill Kit**
Meet council air-gap fill requirements with this top fill kit. 25mm filler size.

**Disclaimer:** Tank dimensions may vary slightly due to manufacturing processes.
ULTIMATE FIRE RANGER
400L - 1,000L CAPACITY UNITS

Manufactured in Australia, the Ultimate Fire Ranger units can be customised to suit your needs with options of four sizes of tanks, along with petrol and diesel engine options. The Ultimate is one of the most versatile firefighters on the market. Our unique modular frame system fits tanks from 400L – 1,000L and is easy to load on and off your vehicle with forklift points side and front, along with four lifting lugs for slings.

TOUGH POLY HOSE REEL
With 36m x 19mm AS1221 rated fire hose & adjustable firefighting nozzle

PRESSURE RELIEF VALVE
Prevents pump overheating for longer pump life

EQUIPPED WITH 6M BOTTOM FILL KIT
Enables quick refill from dams, rivers & troughs. Refills unit in less than 5 minutes

FORKLIFT POINTS
Located in sides and ends of frame. Fast, easy loading for quick deployment

EASY ACCESS BALL VALVE
For bottom filling

AUSSIE FIRE CHIEF 2" PUMP

QUICK RESPONSE UNITS
PUMPS / SKIDS / KNAPSACKS

Designed for rapid deployment in fire emergencies, our Quick Response Skid Unit utilises domestic water tanks, pools, dams and other water sources to get you in action. Easy to load with the central lifting lug and handles, the skid also features four tie-down points to secure the unit when rushing out to fight that fire. Rapid Spray’s Knapsack Fire Fighter is approved to AS1687 for guaranteed performance and features a double-action hand pump for continuous flow. Used by fire authorities Australia wide, you are making a great choice when you choose the FastFlo.

MINING & INDUSTRIAL
BUILT TOUGH

DUST SUPPRESSION, PRESSURE CLEANING & DIESEL REFUELLING

Whether you are on a mine site in the Pilbara or a construction site in the centre of Sydney, we have a range of units to suit every work site. From the AquaMax for dust suppression through to the PressureScout for equipment wash down, we can modify each unit to suit your needs and requirements. We have tirelessly evolved our product range using customer feedback to design units which make your job easier. Operate the AquaMax trailer from the cab of your ute; customise the diesel refuelling trailer with the relevant mine specs or get your job done quicker and more efficiently with the High Pressure Buddy Smart Reel®. Built to work better in the field every day.
Built for dual cab utes or UTV’s, the PressureScout combines go-anywhere mobility with the optional Pressure Buddy® to become the ideal pressure unit for equipment wash down and bio-security. Helping you get your job done quickly and efficiently, the PressureScout is designed to be the ultimate pressure wash unit, ready to handle any terrain.
Rapid Spray brings you the most compact pressure cleaning unit with the all new High Pressure Buddy Smart Reel® helping you to get the job done quicker and more efficiently than ever!

**SIDEWINDER PRESSURE CLEANER**

**2000PSI OR 3000PSI 250L UNIT**
