

Rapid Spray are the leaders in fluid and liquid management and we are currently looking for a highly motivated and focused team member to join Rapid Spray in a new role:

MANUFACTURING SUPERVISOR

This role is responsible for leading and mentoring a diverse team whilst applying safe and efficient work practices.

The successful candidate will ensure daily tasks are completed on time and coordinate resources in the preparation and production of quality Rapid Spray products.

ESSENTIAL

- Be safety driven
- Identify and implement improvements
- Undertake and resolve any issues of manufacture and supply to ensure personnel complete quality products on time and to specification
- Liaise with Operations Management and other business units to achieve daily targets
- Meet department schedules and minimise delays and wastage whilst increasing production output
- Essential planning & organisational skills with the ability to work under pressure
- Effective communication skills with the ability to coordinate with a diverse workforce
- Good problem-solving skills and attention to detail
- Proficient in MS Office and can navigate new software programmes
- Have the ability to implement improvements where required
- Hold a drivers & forklift license

The role will be situated at our **Singleton Office**, with the view that the incumbent must be available to attend industry conferences and trade events from time to time as required.

WE OFFER GREAT BENEFITS FOR THE RIGHT CANDIDATE

- Employee of the Month
- Employee Assistance Program
- Bonuses

HOURS OF WORK

Monday – Thursday: 06:00am to 14:30pm, Friday 06:00am to 12:00pm

WHAT OUR STAFF ARE SAYING

“Great work environment with equally as good employees”

“Great place to work and everybody is so friendly and helpful. As well as opportunities to move forward into business”

“I see a team that is working together to solve issues and to make processes work smooth”
