

For over 25 years, Rapid Spray has been dedicated to bringing innovative products to the agricultural, industrial and government industries in the spraying and liquid cartage sector. We are currently looking for experienced, highly motivated and focused team members to join our Moulding Production Team:

### **Rotational Moulders**

These roles in Rotational Moulding are for hard working and physically fit individuals. You will be responsible for carrying out the production to a high standard.

#### **Essential Criteria:**

- Strong commitment to Workplace Health and Safety
- Prior experience working with rotational moulding is a must
- Ability to multitask and prioritise
- Work well under pressure with minimal supervision
- Meet schedules, minimise delays and wastage whilst increasing production output
- Timely selection of parts to mould products
- Accurately measure and load poly powder into moulds
- Preparation of moulds and frames ready to load into ovens
- Skilled in trolley operations to ensure safe and accurate scheduling, moulding and cooking
- Lean manufacturing to maintain quality systems and processes whilst minimizing waste
- Ensure correct and timely cooling, processing, testing and quality management of moulded products to ensure only quality products are manufactured
- Have the ability to work as part of a team with good communication skills
- Assist with processing improvements
- Experience using an overhead crane is desirable

#### **We offer great benefits for the right candidate!**

Hours of work: Monday to Thursday 06.00am to 14.30pm, Friday 06.00am to 12.00pm

The salary range for these positions is between: \$55k-\$65k

If you feel that you can bring valuable experience and skills to Rapid Spray, please apply by sending your CV with a brief cover letter
